

## **PREMIUM & LUXURY PAPERS**

---

### **Modi Bianco**

This paper has a beautiful texture of embossed linen which creates a perfect impression! It's soft finish with subtle horizontal lines provides a luxurious feel and enduring resilience. It is ideal for foiling, embossing and definitely makes an impact!

### **Astroprint Honeycomb**

This paper has a signature textured feel and a brilliant white finish! With a subtle honeycomb surface, it is an ideal paper for an artistic premium product! A subtle look of embossing makes it perfect for wedding stationary, important events and announcements!

### **Stardream Peridot**

This paper is the ultimate in luxury with a beautiful iridescent finish. The smooth texture and shimmer have an eye-catching pearl effect. Finely coated with pearlescent pigments make this paper a go-to for weddings and special occasions!
